Address Service Requested

From the Deacons

"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland" Isaiah 43:18-19

Even in the Old Testament, God tells us he is doing something new. As we go into the month of September, some have children starting school for the first time, while others are going off to college for the first time. At Mt. Zion, we are also experiencing something new. Seeking God's new shepherd for our church can be as scary as a parent sending their children off to school. As a church seeking a new pastor, God tells us not to dwell on the past because he is making a way. As a church, we need to pray and anticipate these new changes upon us as we continue to search for a new pastor. As we wait and pray, we would encourage everyone to be faithful in our attendance, our giving and our service to Christ. Let's do all we can to make Mt. Zion a church that Christ would want to be a member of and that a pastor would be proud of. Please continue to keep our pastor search committee in your prayers.

Yours in Christ,

The Deacons
