Hope for the world”

“The Love of Jesus”

Love is the power that pumps life throughout the body of the church. A church that isn't loving isn't alive. People of God, we must be alive! We must live out Jesus to a world in need of **Love!** In the past year, as I have served with you on God's mission at Mt. Zion Baptist Church, I have seen the love of Jesus alive in YOU! I have seen the **Love** of Jesus as you faithfully prayed for those who need love in their life. I have seen the **Love** of Jesus as we have gathered together and grown through learning opportunities. I have seen the **Love** of Jesus as you have named your fears and honored your hopes for your life, at Mt. Zion and for the world we live in. I have seen the **Love** of Jesus as you have welcomed new people to our family and continue to care for each other in **love**. I have seen the **Love** of Jesus as you have gathered Thanksgiving baskets, Angel Tree gifts and blessing bags to give away the **Love** of Jesus to others. I have seen the **Love** of Jesus in the midst of conversation about Mt. Zion's future. I proclaim to you and this community that it is evident that we are alive and filled with the **Love** of Jesus not only for those within our family of faith but those outside of it. I say again, Mt. Zion Baptist Church is alive and well because of who Jesus Christ is within us! There is excitement in the air and positive energy all around us because of the possibilities we continue live in the **Love** of Jesus!

My brothers and sisters in Christ, thank you for your faithfulness, for the ways you live in **love**, thank you for the ways you support the ministries of Mt. Zion. Thank You for spreading the **Love** of Christ to those who are most in need of receiving it. We would not be alive without each other nor without the love of God flowing in us and through us. Let's continue to focus on the ways that we are alive and how God is at work in and through us. Let's commit to each other and to God to remain invested in living in **love**. Part of that investment involves us showing up to receive what we need for life by being fed and nourished in worship and fellowship so that God's **love** can flow into us. Part of that investment involves us giving what God has first given us, which is sharing our gifts and abilities in the life of the congregation, while supporting the ministries through finance and giving of these gifts that not only give life to Mt. Zion, but in combination with the gifts of other churches gives life to the whole world. Part of that investment involves us making time to grow in faith and to learn more about who we are as God's beloved people and how God wants us to share that **love** with others; through discipleship and outreach opportunities. To be alive is to live the **Love** of Jesus! Show up to receive, give what God has given us as we grow in faith! Thank You Jesus, we can live out the **Love** You have shown us! Because He Lives, We Can Face Tomorrow! Because He Lives, All Fear is Gone! Because He lives, we too can know **The Love** of Jesus!
