PASTOR'S ARTICLE

*"Great peace have those who love your law,
nothing causes them to stumble."*

Psalm 119:165 (NKJV)

This is one of the very few verses in the Bible that mention the three great needs of all people in one sentence.

For all people need great peace in their lives. Peace is not something that is easily obtained. For there are three kinds of peace: Peace with God through the Lord Jesus Christ, Peace of God that is given through the Holy Spirit to every believer and Peace with ourselves and others made possible through the powerful peace in our hearts from God.

All people need love. Realize that the Lord loves all people equally, accept His love into your life. His love in us enables us to love Him, ourselves and others in our life.

If we have the Great Peace of God and the Great Love of God, then we will love the Lord's Law - His Commandments - His Holy Scriptures.

The Great Peace of God, Great Love of God and the Great Law of God will keep us from falling, failure or faith. These three things guard our steps in life.

Be sure to support our youth this Sunday as they lead our worship service, serve a great lunch and auction off some delicious cakes and goodies.

I'll be looking for you in Church.
God bless you, I care about you.
