My Heart's Desire

I have often pondered on a dream to retire and live at the beach. We could call that my worldly or fleshly dream. While this dream may or may not come true, I do desire to remain healthy and live a long happy life. Others may look to the now, seeking financial independence and wealth instead of looking too far into the future. Whatever your dream of tomorrow, we must recognize that our heart's desire is very different than our fleshly desire. A heart's desire is much stronger than just our hopes and dreams of what could have been. The heart's desire is discovered through wisdom, prayer and meditation of God's holy word. This type of desire is usually extremely personal, spiritual, deep and intense. Knowing this, have you every seriously thought on what is your heart's desire? The Bible tells us, "Delight yourself in the Lord and He will give you the desires of your heart. Commit your ways unto the Lord; trust also in Him & He shall bring it to pass." (Psalm 37:4-5) To delight in the Lord means giving yourself away while finding pleasure or joy in whatever comes. Commit means to be loyal, to be dedicated in your faith before the Lord. Proverbs 3:5 says, we should trust in the Lord with all our hearts and lean not unto our own understanding. When we delight in, commit and trust our ways to the Lord, God is promising to give us the desires of our hearts. Could we truly receive the desires of our hearts? Scripture says, yes!

The Lord gives His children their aspirations only when they're derived from a sincere heart and desire for God's honor and glory. In other words, we can't hold back on God for He is a jealous God. "For God so loved the world that He sent His only begotten Son that whosoever believed in Him should not perish but receive everlasting life. For God sent not His Son into the world to condemn the world, but that the world through Him might be saved." (John 3:16-17) The sinless Son of God took our place and the sins of the world upon the cross. God deserves 100 percent of all that we are, nothing less. God knows the intent of our hearts. He also knows when we're seriously giving our very best. He wants to give His children the desires of the heart, but we learn that for this to happen our hearts must first desire Him as Lord!

I thought long about my heart's desire. It is to love the Lord with all my heart, all my soul, all my mind and all my strength according to Matthew 22:37. I am thankful for the Lord's saving Grace, His Protection, Forgiveness, Guidance and His Immeasurable Love for a sinner like me. My heart's desire is to see my children, grandchildren, family & friends all living for the Lord. I also pray that you would consider Jesus Christ as Your Lord and Savior, What's Your Heart's Desire?
